

CT FUTURE MUSICIANS

P.O. Box 428, Portland, CT 06480
860-342-4485

Dear Parents,

In cooperation with the CT Future Musicians, program, your children are being offered an unique opportunity to learn a musical instrument right in school.

The instrument that will be taught is the Recorder. This is an easy to play wind instrument that is played like the clarinet and sounds like a flute. Recorders were once used in orchestras until they were replaced by flutes.

The sound of the Recorder is heard everywhere, at informal folk gatherings, in adult schools, and even in full concert presentations. The recorder is an ideal beginning instrument offering students the experience of learning to read music and play with others in a group.

This program is only being offered to children in the third grade. Learning to play the recorder is fun and it is an excellent preparation for band instrument study. In the future your youngsters will have the opportunity of joining their own school band.

Group lessons will be given by a qualified instructor during school time, once a week for 30 minutes. The cost of the program includes the purchase of the recorder, lesson book, and twelve (12) weeks of instruction. *Because this is a package program, no discounts are available for students who already have recorders or books.* At least one musical program will be presented by the Recorder class during each semester. Lessons will begin on _____.

We know that you will want to take advantage of this opportunity at your school. Please return this form with your payment. Checks should be made payable to CT Future Musicians.

Send to directly to: *Future Musicians Office, Box 428, Portland, CT 06480* _____
