

Come, be a part of the fun and join the Wednesday afternoon ski club!

The Ski Club is sponsored by Ski Sundown in New Hartford, CT and offers a five week Wednesday afternoon program which provides discounted rates on lesson/lift packages: (1-hour lesson and 3-hour lift ticket) or lift only passes (4-hour lift ticket).

The club will begin on Wednesday January 3rd and is available to skiers/snowboarders of any skill level.

The per person children's price is \$245 for a lesson/lift pass and \$166 for only pass.

The per person adult only pass is \$190.

Price excludes equipment rental.

Rentals are available at Ski Sundown or local ski shops.

Families are solely responsible for supervision of their kids and transporting them to/from Sundown. This is not a school-sponsored club and all risk involved is that of the participant.

Please complete the Weekly Group Participation Form, and send with payment to the school office.

Forms and registration fee are due no later than November 15th.

Please note, a \$25 late fee will be applied by Ski Sundown to each skier in your family if this due date is not met.
