Subject: Asbestos Inspection Report and Management Plan

In compliance with AHERA Regulations, we are required to inform all of the above mentioned individuals associated with St. Thomas the Apostle School of the Asbestos Inspection Report and Management Plan.

This report/plan is on file in the Principal's office and is available for review by any member of our community during normal business hours of the school.

Please make your request to review this file to me in writing.

Best wishes for a wonderful school year.
