

Here's how it works:

Clip the Box Top from hundreds of participating products and send them into school with your child. Each classroom has its own Box Tops collection bin to keep track of the total number collected throughout the school year. The goal for each homeroom is 600 Box Tops. The classroom that collects the most Box Tops by May 2017 will win a party!

To learn more about this program and see a full list of participating products, visit: boxtops4education.com . Or, contact STA's Box Top Coordinator, Allyson Eule: AllysonMEule@gmail.com.

Hello all! The race to first place is tight and there are only a couple of short weeks left to get your submissions in!

Final collection: May 26th! Thank you, Allyson Eule

APRIL 2017 TOTALS (The top 3 classrooms are highlighted):

PREK3- 1,090

PREK4- 1,310

KA- 208

KB- 221

1A- 998

1B-977

2A-793

2B- 470
