

Connecticut's Current Flu Immunization Laws and Regulation

November 16, 2017

Dear Parents,

All children attending St. Thomas the Apostle School must be in compliance with Connecticut's current immunization laws and regulations. The new regulations require the influenza vaccine be administered to all children in PK3 and PK4.

The regulation reads- One dose administered each year between August 1 and December 31st (two doses separated by at least 28 days required for those receiving flu for the first time).

Please obtain a letter, statement or record showing each dose of vaccine and the date administered and return the document to the me by January 2, 2018. Dates must include the DAY, MONTH, and YEAR.

The law provides that students NOT IN COMPLIANCE with this requirement MUST BE EXCLUDED from school on January 2, 2018 until the student provides verification of the immunization received or obtains an exemption signed according to the provisions of the law.
