

# *Summer Tutoring and Enrichment for STA Students*

In response to heightened interest in summer academic support, kindergarten readiness and counseling sessions, we have put a team of teachers together who are willing and able to support your child in the following areas:

**Math and Reading Enrichment**  
**Math and Reading Remediation**  
**Summer Bridging Work**  
**Kindergarten Readiness**  
**Continued Counseling Sessions**

*Summer courses, remediation classes and counseling sessions are available to all enrolled STA families and students. Graduates of STA may also apply, but enrollment maybe limited. The cost of the sessions is \$60/hour.*

*All sessions will take place at STA.*

*The summer program will run from June 26 to August 11.*

***Kindergarten readiness** classes will be weekly sessions: two weeks for each session, meeting 8AM to noon. If you are interested, please complete the registration form to begin the process. The fee structure will be based on \$30 per day resulting in a flat fee of \$300 for the two week session.*

*The **counseling sessions** are reserved for students who have already been meeting with the school counselor during the school year.*

## *How do I get started?*

1. Complete the registration form on the next page and return it to the school office before June 1 to allow teachers to learn about your child, schedule classes & create lesson plans.
2. Teachers will contact parents through email to arrange a schedule that will work around camps and vacations, but will support your student's needs.
3. You will be billed for the classes through the school office.

## Summer Course Registration 2017

Please complete this form by June 1 and return it to the school. You will be contacted by your teacher/tutor through email to set up a mutually beneficial schedule.
