

# Dress Code Information

All students in pre-kindergarten through grade five wear school uniforms at all times during the school day. On days when students have Physical Education classes, the gym uniform is required. Uniforms are available for purchase through the Dennis Uniform Company ( [www.dennisuniform.com](http://www.dennisuniform.com) school code: WB00TA ). Parents can link directly to the Dennis Uniform Company through the school's website: [stthomasapostlewh.org](http://stthomasapostlewh.org).
